The Bangalore Water Supply and Sewerage (Rain Water Harvesting) (Amendment) Regulations, 2010 has been published on 26.2.2016 in the Government of Karnataka Gazette vide ref No: (2).

- (1) Where the Owner or Occupier of a residential building fails to provide rain water harvesting structure in the building within such date as notified under section 72A of the Act, there shall be levied an additional charges of twenty-five percent of the total water and sanitary charges for the first three months and thereafter an additional charges of fifty percent of the total water and sanitary charges till the rain water harvesting structure is provided to the building.
- (2) Where the Owner or Occupier of a non-residential building fails to provide rain water harvesting structure in the building within such date as notified under section 72A of the Act, there shall be levied an additional charges of fifty percent of the total water and sanitary charges for the first three months and thereafter an additional charges of hundred percent of the total water and sanitary charges till the rain water harvesting structure is provided to the building;
- (3) Provided that no Additional Water and Sanitary charges shall be levied as above unless an opportunity of being heard is given to the affected persons.”

All the Executive Engineers and Assistant Executive Engineers of Maintenance zone are hereby directed to levy the above said charges with immediate effect while processing the water supply and sanitary connection files and also at the time of issuing monthly water bills to the consumers.

Any lapses in this regard will amount to loss of revenue to the Board and thereby personal responsibility will be fixed against the concerned for their laxity.
